Vision and Mission

Vision Statement

Harrow International School Bengaluru inspires students to pursue utstanding results, strengthen their character, and lead with purpose to make a positive difference in the world.

Mission Statement

Harrow International School Bengaluru delivers exceptional international education and global exposure that build outstanding results, foster intellectual curiosity, and prepare students for life and leadership through Harrow Values.

School Overview

Harrow International School Bengaluru is part of the prestigious Harrow family of schools, known for its tradition of educational excellence since 1572. Our school blends the best of British education with global perspectives, offering a world-class curriculum tailored for international students in Bengaluru. We cater to students from 11 to 18 years, focusing on holistic development through rigorous academics, co-curricular activities, and leadership training.

Boarding Options

Students can board weekly or termly, with 61% of our students choosing to board. Boarding enhances the Harrovian experience by fostering independence, leadership, and deeper engagement in school life, while day scholars enjoy the same rich environment and opportunities.

Grading and Assessment

At our school, assessments from Year 6 to Year 12 are based on a criterion-referenced system. Academic performance is reported using an A' to U grading scale for Cambridge curricula, and a 1 to 7 scale for IBDP, reflecting percentage results from key assessments. Our reports provide a holistic view by including both academic and current grades. For university applications, we issue bespoke transcripts that detail final exam grades in each subject. Importantly, we do not use ranking for our students, ensuring that everyone is recognised for their own achievements.

University And College Counselling

Harrow International School has a dedicated university guidance and counselling service to support students in their journey to universities worldwide. The Class of 2025 was our founding batch, and they embarked on their higher education journey with the guidance of the UGC team.

Community And Environment

Located in the rural area of the vibrant city of Bengaluru, Harrow International School Bengaluru offers a dynamic environment that blends cultural heritage with modern innovation. The school provides state-of-the-art facilities, including science labs, a library, sports fields, and performing arts spaces.

College Matriculation

Our first cohort is well placed in various countries as we strongly believe that the world is their oyster and we support them in the guidance and counselling for university applications spanning many countries. We have a few students who have taken a gap year, and they will be applying this year with our support.
